11/ Madam,

In continuation to this office letter dated 26.05.2012, and with reference to your letter dated 01.06.2012, I am directed to convey the approval of Board of Governors of Medical Council of India for renewal of permission for admission of 2nd batch of MBBS students against the increased intake i.e. from 50 to 75 u/s 10(A) of the IMC Act, 1956 for the academic year 2012-13. The Board of Governors has granted approval after consideration of the compliance report alongwith the assessment report (23rd & 24th February, 2012) submitted to Board of Governors of Medical Council of India. The Permission is, however, subject to the condition that admission process may be completed as per time schedule prescribed in the Regulations of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

Yours faithfully,
