INTRODUCTION

The Christian Medical College Ludhiana is a Christian Educational and Research Institution established, maintained and administered by the Christian Medical College Ludhiana Society (regd.) of Christian Churches and Christian agencies.

The Medical Missionary work was started in Ludhiana in the year 1881 by Miss Martha Rose and Miss Kay Greenfield popularly known as the Greenfield sisters. They were Evangelists and Educationalists from Scotland. This pioneering medical work of the Greenfield sisters was the precursor of the Medical Training and Health Care Service Program of the present Christian Medical College, Ludhiana.

The Greenfield sisters and their associates organized the Health Care Educational Services in which endeavor Dr. Edith Mary Brown joined them in 1893. In 1894 the North Indian School of Medicine for Christian Women was started by Dr. Edith Mary Brown and her colleagues with the objective of training Indian women, to serve in the field of Medical Education and Health Care Services, emphasizing integration of training and health care services.

The period from 1894 to 1952 was an epoch making era which saw the development of Women's Christian Medical School from its beginning as a School of Medicine for Christian Women. The Medical School granted LSMF diploma till 1952. In 1953 LSMF was upgraded to the MBBS course and the name of the Institution was changed to Christian Medical College to enable it to admit both men and women students. Postgraduate program started in the next decade.

Punjab, the land of five rivers is known for its rich heritage and culture. A land of hard working people it has earned the term of bread basket of India due to its great agricultural strengths. Ludhiana is one of the oldest-established cities of Punjab with a population that has increased during recent years to around 25, 00,000 lies 312 km Northwest of Delhi and less than 150 km from the border with Pakistan. It is situated on the Grand Trunk Road running from the border through to Delhi, and is an important railway junction. Today it is one of the fastest-growing small and medium industrial centers in India.

Ludhiana is well connected to rest of India by train and road. The nearest airports are in Ludhiana, Amritsar and Chandigarh.

The institution is situated in a large campus couple of kilometers from Ludhiana Railway Station, on both sides of the Brown Road named after Dame Edith M Brown. The Campus has residential quarters for the staff, hostels for medical, dental, nursing and paramedical students, both men and women.

Since the Nursing standard is maintained at a high level, the results of our examinations have always been excellent. In response to changing society the nursing practice has changed from mere apprenticeship to a professional education and to foster nursing as a professional career, attractive and desirable to young people on an equal basis with any other career.

The Dental Department has been providing dental health care services in the hospital and the community at large since 1968. Besides providing high quality tertiary care in the hospital, the dental department launched its unique community dental health services in 1984 to rural areas reaching out primarily to the vulnerable population of the children which is one of few innovative community dental health services in India. The Christian Dental College was established in 1992 as the most prestigious off shoot of Christian Medical College Ludhiana.

The Christian Dental College, Ludhiana, admitted the pioneer batch to the BDS Course in August 1992, who graduated in 1996. The M.D.S. Course started in the year 2002. **Each year 40 students are admitted to the BDS Course**
